BIOGRAPHY

Best known for his genre-bending sound and one-of-a-kind ear, Jash Jay's ability to connect with massive crowds of thousands down to the coolest speakeasy dance floors is what solidifies him as one of today's leading disc jockeys.

The New Orleans raised, now New York City-based disc jockey found his start in Atlanta, GA. His passion for entertainment alongside notable internships with CBS Radio and Ryan Seacrest Studios propelled his journey into the DJ booth, all while refining his skills at the late Jam Master Jay's Scratch DJ Academy.

In addition to inking a number of partnerships with brands including Jameson, CÎROC, Jack Daniel's, and Bacardi (to name a few), Jash's talents have allowed him to support some of today's biggest talents, providing continued DJ support for GRAMMY Award-winning artist Ciara, and assisting with musical direction for Pharrell and Phriends in 2022.

While aligning himself with a stellar list of clientele, high-profile events and major music festivals including BET Summer Fan Front, Something In The Water, Propel Fitness Festival, Essence Music Festival and more, Jash's ever-growing passion for art & music has allowed his creativity and energy to transcend all boundaries.
